

Piner's Nursing Home

Piner's Nursing Home was established by the Piner family in 1964. Since then we have enjoyed an outstanding reputation for quality of care. We feel that Piner's should be a "must see" for anyone needing nursing care.

Services Available

- Long term placement.
- Short term placement, such as for rehabilitation or as a respite from home care.
- Licensed nurses and certified nursing assistants on staff 24 hours a day to provide the care that each individual needs. Our staff is large and expertly trained. Some of which have been at Piner's for many years.
- The proximity of Piner's Guest Home allows not only for transition of care when a resident no longer needs nursing care, but can also allow couples the opportunity of frequent visits when their personal needs differ.
- Our own on-site beauty salon, staffed by a licensed beautician. gives residents the opportunity to look and feel great!
- Daily bedmaking.
- Housekeeping services.

- Laundry services (at no charge).
- Fully-staffed maintenance department.
- Physical therapy, occupational therapy, and speech therapy services.
- Medicare and private insurance accepted.
- Social services.
- Large courtyard with gardens and fountain.
- All rooms open to either courtyard or lawns through sliding doors.

Activities

- Numerous daily events that make life at Piner's an enjoyable experience.
- Adult education classes taught by the Napa School District.
- "Van Adventures"—our own special program of outings into the community and beyond. Residents make frequent trips out to breakfast, local fairs, museums, theaters, and special tours
- Longer day trips to Marine World, The Wine Train, and San Francisco's Fisherman's Wharf are also enjoyed by residents.

Meals

- Three full meals every day, plus snacks and drinks.
- Food is always attractive as well as delicious.
- A staff of restaurant-trained chefs prepare menus that not only meet nutritional needs, but are also satisfying to the most particular appetites.

These are only some of the areas which we feel that our service is outstanding. We encourage you to come in for a tour and to spend as much time as you like to truly get the feeling for the warmth of the staff...the type of care that sets Piner's apart.
